19.4 Conditions of Use

19.4.1 Any person using any reserve is required to obey all lawful or safety directions, signs and conditions of permission, given any person authorised in that regard by the Council.

19.4.2 Organised sport may take place only on reserves or part of reserves set aside for that purpose or as directed or permitted by the Council with a booking and upon payment of any fee fixed by the Council.

19.4.3 In areas set aside for use by motorised vehicles, the Council may, by resolution, prescribe a speed limit to such parts and make other rules for the orderly conduct of traffic and parking. Where no speed limit has been fixed by resolution the driving of any vehicle on that part of the reserve at a speed in excess of 20 kilometres per hour is prohibited. Vehicles must be driven in a manner that does not compromise the safety of other reserve users.

19.5 Additional Requirements for Reserves

19.5.1 Subject to the provisions of this Part of this Bylaw every reserve shall be open to the public at all times except during such hours as the Council or an authorised officer may determine that any reserve shall be closed to the public.

19.5.2 An authorised officer may from time to time and for such periods as he or she thinks fit, set aside areas of a reserve, for the exclusive use of particular groups or for particular kinds of recreational activities thereon. Council may charge for the right to have exclusive use of a reserve.

19.5.3 An authorised officer may close or restrict entry to all of, or any portion of, a reserve at such times as are considered necessary to prevent damage to, or allow maintenance of the reserve. Such closure shall be advertised by signs at the entrances to the reserve. It shall be an offence against this part of the Bylaw to be found on a reserve at any time when the reserve is closed to public entry.

19.5.4 Every person committing a breach of the provisions of this Part of the Bylaw shall, upon request by an authorised officer, immediately leave the reserve, and shall be prohibited from appearing on the reserve for such period as the authorised officer deems fit. Any person so ordered to leave shall still be liable to be prosecuted for the breach of the Bylaws, and any person failing to leave with reasonable haste or diligence, to comply with a request to leave, shall commit a further offence.

19.6 Expulsion of Offenders

19.6.1 Council may require any person behaving in a disorderly manner in or on a Council reserve, or any person who is not bona fide using the reserve for the purpose for which it is intended, to leave the

reserve, and any refusal on the part of the person to do so will constitute an offence against this part of this Bylaw.

- 19.6.2 Where in the opinion of an authorised officer any person has contravened any of the provisions of this Bylaw or any rules made by the Council relating to the use of a Council reserve, or has otherwise acted in an unlawful manner in or on a reserve, the authorised officer may exclude that person from the Council reserve, until notice is given for the person to return.

19.7 Enforcement

- 19.7.1 Any vehicle, whether attended or not, in breach of this Bylaw may be removed by any Police or authorised Council officer and impounded at the expense of the driver or owner.
- 19.7.2 The Council may remove or alter work or thing that is, or has been, constructed in breach of this Bylaw, and may recover costs of removal or alteration from the person who committed the breach.
- 19.7.3 It is not a defence to any charge that an offence has been committed against part of this Bylaw (other than where compliance with a sign, notice or road marking is an ingredient of the offence) if no sign, notice or road marking was in place at the time such offence was alleged to have been committed.

20 Serving of Orders and Notices

- 20.1 Except as otherwise provided for in any other enactment, where any notice, order, or other document is required to be served on any person for the purposes of this Bylaw, service may be effected by delivering it personally to the person or by sending it by registered post to that person's last known residential or business address.

However, if that person is not known or is absent from New Zealand, or has no known agent in New Zealand, the order or notice may be:
- (a) Served on the person who is occupying the land or buildings; or
 - (b) If there is no person in occupation, put up on some conspicuous part of the land or buildings.
- It is not necessary in that notice to name the occupier or the owner of that land or buildings.
- 20.4 Where an order or notice is sent by registered post, the order or notice shall be sent so as to arrive no later than the latest time on which such order or notice is required to be served.

22 Removal of Works

- 22.1 Where the notice served under Section 24 has not been complied with, the Council or any authorised officer or agent of the Council, may pull down, remove or alter any work, material or thing erected or being erected in contravention of this Bylaw.
- 22.2 The Council may recover from any person responsible for the breach of any part of this Bylaw, all expenses incurred by it in connection with such pulling down, removal or alteration. This includes the cost of debt collecting and legal fees.
- 22.3 The exercise of this authority does not relieve any such person from liability for any penalty for erecting or permitting the continued existence of any such work, material or thing.
- 22.4 If however the breach is such that public health, or safety considerations or risk of consequential damage to Council assets is such that delay would create unacceptable results, the Council may take immediate action to rectify the defect and recover all reasonable costs (as set out in 22.2).
- 22.5 On payment of all Council's costs, including storage where applicable, the lawful owner may claim any object, material or thing removed under 22.1.
- 22.6 If not claimed within 21 days, the Council may dispose of any object, material or thing it as it sees fit and apply the proceeds to meet any outstanding costs. The lawful owner shall be entitled to claim any residual sum.

25. Dispensing Powers

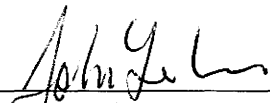

25.1 Where in the opinion of the Council full compliance with the provisions of this Bylaw would needlessly or injuriously affect any person, or the course or operation of the business of, or bring loss or inconvenience to any person without any corresponding benefit to the community, the Council may, on the special application of that person, dispense with the full compliance with the provisions of the Bylaw; provided that any other terms and conditions (if any) that the Council may deem to impose shall be complied with by that person.
