

Call for nominations Inaugural trustees to the OPOTIKI COMMUNITY TRUST

The Opotiki District Council seeks nominations for Trustees to the Opotiki Community Trust.

The Trust's overall purpose is to increase the social and economic well-being of the community of the Opotiki District. It is expected to do this through a combination of wealth creation, wealth management and wealth distribution activities.

Initially, five initial trustees will be appointed. They will be responsible for establishment of the trust's operating structure and administrative arrangements, development of its initial business plan, and generally placing the trust on a firm foundation for future growth. Subsequent appointments will be made by an electoral college constituted to be broadly representative of interests within the Opotiki District.

Nominations close April 15, 2008. Interested persons should outline their level of skill and experience in areas such as financial literacy, communication, strategic thinking and specialised fields.

Further information is available by contacting Donna Adlam, Opotiki District Council, Phone (07) 315 3030, email: donnaa@odc.govt.nz or by post to P.O. Box 44, Opotiki.
