

Fees and Charges

User Fees and charges are used to assist the operation and maintenance of a variety of services provided to the community. User fee revenue reduces the rate revenue required to be collected from the ratepayers.

We have included the following proposed changes to user fees and charges for you to review and submit a response if considered necessary.

FEES & CHARGES (All Charges include GST)	Charges 1 July 2010	Charges 1 Oct 2010
